1998 has been our best year ever, and we helped more people buy Berkeley homes than any other Realtor! We couldn't have done it without your help.

So, we're having a celebration to thank you for your business and all your referrals of family, friends, neighbors, and co-workers. We've even placed many referrals to outstanding Realtors all over the United States for buyers and sellers moving out of the Berkeley area.

We've reserved a block of seats for the Sat 2 Jan 99 show of Sedge Thomson's West Coast Live (<http://www.wcl.org>). The show is live, and starts at 10 AM. It's broadcast on KALW-FM 91.7

According to the WCL web site, here's who's on the program: Monologist Spalding, Wes "Scoop" Nisker (author of "Buddha's Nature: Evolution as a Practical Guide to Enlightenment") and Samba Ngo (who plays a very infectious type of African Soukous music)

The show will be at the California Palace of The Legion Of Honor in San Francisco (<http://www.famsf.org/legion>) at 34th Avenue and Clement Street.

Here's what the SF Chronicle Datebook Section says about the museum's Picasso exhibits:

"Picasso and the War Years: 1937-1945," a collection of paintings, drawings, prints and sculpture exploring the artist's response to the events leading from the Spanish Civil War through World War II" They also have "Picasso as Book Illustrator" which contains 19 books spanning the artist's career and includes a computer station that provides reproductions of illustrations in the book.

You just bring: yourselves, kids, and friends. Let us know the names of each person attending.

Please RSVP right away - they'll only hold the reservations for about a week
